We at Business Pulse magazine believe the following companies qualify for the list based on previous years but were unable to confirm their numbers as of press time:

Haggen Inc, Anvil Corporation, Haskell Corporation, Faithlife Corporation, Superfeet Worldwide Inc, Faber Construction and Mt. Baker Products.

Whatcom County also had several previously listed company headquarters relocate, which made them ineligible for the current Top 100 listing:

Alpha Technologies, Coleman Oil, Harris Pacific NW, LTI Inc, Specified Fittings and Walter E Nelson Co.
